

KVAS NOTES 3/17/17

The KVAS met at the Hansford Center in St Albans for the March 17 meeting. The meeting was called to order by Rodney Waugh with an update on the club's telescope repair. The following dates for club events were discussed.

- ★ Messier Marathon on March 25 with a back-up date of April 1 if necessary at Beech Fork State Park.
- ★ Yuri Gagarin Day on April 8th with Scott Blake presenting and hang gliders to display. The library will have the Open House with activities from the Putnam Robotics Team, the Pink Ladies Robotics Team, the KCL bookmobile, and WV Soars. This will be held at Camp Virgil Tate.

Ed Connors showed the gear that was not functioning and Robert Dean made the motion to keep 2 gears in stock at all times. The motion was seconded by Rodney Waugh.

Rodney presented *The Spring Sky* and a suggestion was made that this film would be a relevant film for the Beach Fork Messier Marathon.

The meeting convened at 9:10 PM

Present were:

Danny and Sandy Blair

Ed Connors

Bob and Deb Frostick

Scott Blake

Ernie Snodgrass

Melissa Thorner

Rodney and Judy Waugh

Mike Riggs

Robert Dean

Welcome to Linda and Mindy Carte

The April 20, 2017 meeting will be held at 7:00 at the Hansford Center. Bring a snack and enjoy the evening.
