

KVAS NOTES September and October 2017

The KVAS Star Party at Blackwater Falls (9/14-16/17) was a great success thanks to the hard work of the Blackwater Committee headed by Janet and John Willson. The presenters were exceptional, and the party ran flawlessly. We also want to thank all of those who donated their time to be there to help and the donations given by so many of our members and supporters that made the weekend better than ever. Friday night produced good and clear skies for viewing, but clouds rolled in for Saturday night. However, the sky cleared and made for a fine night for viewing. More discussion about Blackwater at the November meeting.

The club's October meeting (10/21/17) was the annual picnic at Breezy Point. Several members were there for an evening of fun and good food. Rodney reported that a telescope was offered to the club and that he was going to consider this offer. Below is a list of members at the picnic.

The next meeting will be at the Hansford Center in St. Albans on 11/17/17 at 7:00PM. Come and join us and bring a snack to share and enjoy.

Present at the picnic:

Robert Dean	Rodney Waugh	Judy Waugh
Rus Dean and Jeannie	John Willson	Janet Willson
Ed Connors	Danny Blair	Sandy Blair
Bob Frostick	Deb Frostick	Ted Elden and guest
